ThebeMed Medical Aid Scheme is inspired by the vision of the pioneering black-owned Thebe Investment Corporation. UNIVERSAL EDO (Efficiency Discount Option)

The Universal Efficiency-discounted option (EDO) is a sub-option of the Universal plan. An EDO option is designed around members' willingness to limit their choice of provider(s) in a restricted network.

Members selecting Universal EDO agree to pay lower contributions (relative to the Universal plan) in return for having their choice of hospitals and doctors restricted when they are treated for all medical treatment.

The main Universal plan's DSP* network list is broader with a national footprint compared to the Universal EDO.
